

Digital Magazine Edition Sample – 24 Pages

MagazineLaunch.com Special Package Price: \$595

The 24 Page Sample Issue Service Package provides publishers an online digital magazine edition of up to 24 pages produced from your "print-ready" publication design files.

- Up to 24 pages digital edition production
- 30 Page hotspot hyperlink enhancements
- Insertion of 1 audio or video multimedia file
- Digital edition service (hosting included) for the special sample issue through December 2006

Service & Production Requirements

- Acceptance of iDigital Edition Services Agreement
- Monthly bandwidth of 10 GB traffic included (Appx. 25,000 digital edition visits monthly)
- Submit up to 24 pages including cover print-ready layout files

Secure access and digital delivery options available for an additional fee. Any changes to the digital edition after the initial production will require a change processing fee of \$25 in addition to the cost of the requested change – quoted upon request.

Promotion Startup Process

Purchase 24 Page Digital Edition Sample at MagazineLaunch.com. The service agreement and presentation options worksheet are required for production.
